

QUALITY POLICY STATEMENT

The Quality Policy of Flowquip Ltd is to provide a high quality, and efficient service in an ethical and professional manner, within the quality system designed to meet the requirements of ISO 9001;2015 standard

The Management Team will show leadership and commitment, and bear the responsibility for establishing, implementing and maintenance of the Quality Management System

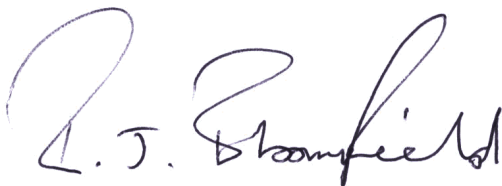

We will deliver our services to specification and required time. These achievements will result in securing efficiency and enhancement for long-time sustainability and profitability with the company

Each employee will understand the importance of the Quality System function, and their responsibility to contribute to its effectiveness, and its direct relevance to the success of the company.

We undertake to ensure sufficient resources are made available within the Company to achieve this, and to ensure through communication, engagement, practical example and training that quality is the aim of all members of the company

This policy is itself kept under annual review to ensure it remains relevant to the business.
